

JAYRAJ PANDAV

UI & UX DESIGNER

ABOUT ME

A dedicated and detail-oriented UI/UX designer with a fresh approach to creating visually compelling and user-friendly digital experiences. My academic training in Creative Multimedia Institute has provided me with a solid foundation in user research, interface design, and interaction design. I specialize in Adobe XD and Figma.

EXPERIENCE

1.5 year of experience in UI/UX Design and currently working on Codebuzz Infotech.

Completed UI/UX Design training at Creative Multimedia Institute, gaining hands-on experience with industry-standard tools.

- ~ Photoshop
- ~ Illustrator
- ~ Figma
- ~ Adobe XD
- ~ After Effects
